

BRIDGE demonstration session

Plenary closure

Judith Klostermann (WUR-Alterra)

26 October 2011

1 Questions to Maria Yeroyanni

- Ask some questions before she has to leave

Discussion

Requirements from practice:

1. Integration
2. Proactive planning
3. Learning tool
4. User friendliness
5. Many kinds of users
6. Different scales

BRIDGE DSS:

Can it do everything?

Final question: how to develop final tool?
